## Christmas Fire Safety

Each year on Christmas Day we hear of a tragic fire that happened in someone's home. A home where a whole family may have died a horrible death or perhaps if they were lucky, only their home and possessions were lost.

During the festive season extreme precautions must be taken to prevent this happening in your own home. Use only fire resistant decorations and check your tree lighting for defects. Over-decorating should be avoided in

order to minimize any fire risk.

We have never had a fire in Griesbach on Christmas Day and I hope and pray that we never will have one.

As an extra service to you, our Fire Inspector will be available for inspecting your home decorations "On request" by calling L-212 during normal hours.

Please be extra careful over the holiday period and enjoy a Very Merry Christmas.

Fire Chief A. P. Hauglum

## Fire Department Hints for a Fire Safe Christmas — Your Christmas Tree

When buying your tree try to obtain one that hasn't dried out from prolonged storage and remember the larger the tree the greater the hazard.

Just before setting up the tree, saw off the trunk at an angle at least one inch above the original cut.

Place the tree in a secure stand designed for holding water and keep the level of the water above the cut the entire time the tree is indoors. (Check the water level at least once a day).

Support the tree well. Don't put it near sources of heat or where, standing or fallen it could block the way out of the room in case of a fire.

Artificial trees need care in selection and handling too.

Plastic and metalized trees can burn. Use the type clearly marked as slow-burning materials.

Metal trees are not a fire hazard but may be a shock hazard

so use only indirect lighting with them.

Don't allow smoking near your tree amidst decorations or piles of wrapping; have plenty of safe ashtrays around and use them.

Plan what you must do if a fire breaks out. Guard against flying sparks from a fireplace with a substantial screen and don't use the fireplace to burn up Christmas wrappings and decorations.

Keep matches, lighters and candles away from tiny hands.

If fire should strike, first get everyone out of the house and then call the fire department before attempting to fight the fire yourself.

Don't buy pyroxylin plastic dolls, toys or non-flameproofed cowboy suits, etc. Toys operated by alcohol, kerosene or gas are especially dangerous, they may upset and set fire to children's clothing, the tree or to the house itself.

Look for the Underwriters Lab-

## Explanatory Notes on the Canadian Forces Reorganization Act

### 1. Name of Service:

The name of the single service was chosen after the most careful and thoughtful consideration. Since there is no proper noun which describes the single service, it is necessary to either invent a new word or adopt an existing word and change its meaning to include all armed forces, whether for sea, land, air or space. After exhaustive study within the services, the Defence Staff recommended that the name of the single service should be the Canadian Armed Forces. It is possible that a word will be coined at some future date which will apply to servicemen of all environments and should this be the case it can be adopted by a simple amendment.

In choosing the name Canadian Armed Forces consideration was given to the question of the Royal title. In the three services two different systems were used. In the army, the Royal title was applied at the Corps and Regimental levels while in the navy and air force it was applied in the name of the service itself. It was necessary to choose between the two systems, and after careful study the Defence Staff recommended that the army system be adopted. If the Defence Staff recommends that it is in the interest of the service to seek the Royal title for some additional lists or branches their recommendations will be considered.

### 2. Terms of Service:

Officers and men serving in the services at the services at the time of proclamation of the new act will not be required to serve in a different combat environment from those associated with their original terms of engagements unless they volunteer to do so. (That is, infantrymen will not be required to serve at sea and sailors will not be required to serve in the infantry, etc.).

### 3. Ranks:

The decision to adopt predominantly army ranks is based on the strong belief by the Defence Staff they will be acceptable to most service people and would be

oratories Label when buying electrical toys. This means they have been tested for fire and shock hazards and may be considered safe if handled properly.

Don't set up electric trains or spirit-fueled toys under a Christmas tree.

more familiar to the Canadian public.

The new rank designations must be standardized for administrative purposes and they will, accordingly, be used on personnel documents and in the official description of an individual position. If, however, an individual prefers to be designated by rank traditional to his former service, he will have the option to do so.

### 4. Uniforms:

a. Occupational clothing will continue to be worn in relation to specific employment as is now the case. For example, appropriate combat clothing will be worn by forces in the field, at

sea and in the air.

b. A new service dress which will be worn by all ranks will be introduced over a period of years once satisfactory user trials have been completed.

c. Members of the RCN and the RCAF at the time of proclamation may continue to wear their present uniforms as dress uniforms on an optional basis on appropriate occasions. In this respect they will be considered the equivalent of the army blue patrol.

d. Regimental dress uniforms will remain unchanged and will be worn on appropriate occasions.

e. Members of the three services on proclamation may continue to wear their present mess dress.

## What Shall We Give the Children?

In the long twilight of the year, the faces of the children grow luminous. Rosy with cold, arabesqued with snowflakes, leaning into the wind, or drowsing before the fire, their eyes large, they look and listen, as if they glimpsed the peripheries of miracles or heard a soundless music in the air. From the innocent kingdom of implicit belief to the uncomfortable area where the implacable mind battles the intractable heart, the faces of children at Christmas are lighted with visions of things to come. What shall we give the children?

It seems certain that they will travel roads we never thought of, navigate strange seas, cross unimaginable boundaries, and glimpse horizons beyond our power to visualise. What can we give them to take along? For the wild shores of Beyond, no toy or bauble will do. It must be something more, constructed of stouter fabric discovered among the cluttered aisles and tinselled bargain counters of experience, winnowed from what little we have learned. It must be devised out of responsibility and caring — a homemade present of selfless love. Everything changes but the landscape of the heart.

What shall we give the children?

Attention, for one day it will be too late. A sense of value, the inalienable place of the individual in the scheme of things, with all that accrues to the individual — self-reliance, courage, conviction, self-respect, and respect for others. A sense of humour. Laughter leavens life. The meaning of discipline. If we falter at discipline, life will do it for us. The will to work. Satisfying work is the lasting joy,

The talent for sharing, for it is not so much what we give as what we share. The love of justice. Justice is the bulwark against violence and oppression and the repository of human dignity. The passion for truth, founded on precept and example. Truth is the beginning of every good thing. The power of faith, engendered in mutual trust. Life without faith is a dismal dead-end street. The beacon of hope, which lights all darkness. The knowledge of being loved beyond demand or reciprocity, praise or blame, for those so loved are never lost.

What shall we give the children?

The open sky, the brown earth, the leafy tree, the golden sand, the blue water, the stars in their courses, and the awareness of these. Birdsong, butterflies, clouds, and rainbows. Sunlight, moonlight, firelight. A large hand reaching down for a small hand, impromptu praise, an unexpected kiss, a straighter answer. The glisten of enthusiasm and a sense of wonder. Long days to be merry in and nights without fear. The memory of a good home.

(By Margaret Cousins in the Woman's Journal, Dec. 1965).

### GRIESBACH COMMUNITY LIBRARY

#### Christmas and New Year's Hours of Operation

The library will close at the end of business on Wednesday, December 21st and re-open for business on Wednesday, January 4th. Members may take out up to three books per card over this period.

## Girl Guides of Canada

### ALEXANDER LOCAL ASSOCIATION

The Alexander Local Association is an organization for all Ranger, Guide, and Brownie Mothers. Meetings are held at the No. 1 Griesbach School in the teachers' room at 8:00 p.m. the third Tuesday of each month except December, July and August.

At the November meeting members approved the purchase of six Guiders' Uniforms.

A farewell presentation was made to Mrs. Joan Haley who is leaving for Germany.

The door prize was won by Mrs. Bunning.

Miss Janet Taylor, Gold Cord Guide and now a Ranger, gave a most interesting and informative description of her trip to Heritage Camp in Montreal — this trip having been sponsored by the Alexander L.A.

As there will not be a December meeting, the Association wishes to extend Season's Greetings to all. We will be very happy to see all Mothers who can attend our next meeting which will be on January 17.

### WRITE-UPS FOR NOVEMBER 1966

#### No. 1 Griesbach Pack

A Flying Up ceremony was held October 18. The Brownies who flew up were Cathy Haley, Carol Davis, Virginia Imlay and Nancy Rose. Linda Rashley walked up to No. 1 Guide Co.

#### Service Star Presentations

1st year — Kathy LeReverend, Brenda Imlay, Susan Rose, Vera Mazeroll and Marianne Bell.

2nd year — Paula Drouin.

Golden Bar — Alma Little. District Commissioner Mrs. A. Raven visited the Pack November 8th and made Service Star presentations.

#### No. 4 Griesbach Pack

First year stars were presented to Nancy Tweddels and Janet Bair. A Golden Bar was presented to Julie Mosely as well as her Collector's Badge. New sixer and second for the pack are Shelly Kliewer and Nancy Tweddels. The Girl Guide Pack with No. 4 is Gail Shettler.

#### No. 5 Griesbach Pack

##### Service Star Presentations

1st year — Janet Poff, Gail Harper, Roberta Craig, Carol Craig, Susan Morey, Adrienne White.

2nd year — Barbara Berry, Nina Harvey.

Swimmer's Badge — Susan Morey. Sixers — Janet Henderson, Barbara Berry, Gail Harper, Janet Poff. Second — Nina Harvey, Gail Aulenbach, Tammey Tupper, Susan Morey.

A Hallowe'en party was held on November 2nd. All Brownies made their costumes from brown paper or newspaper and should be complimented for their talents.

#### 3rd Griesbach Guide Co.

PATROL SECONDS — Valerie Green, Lynn Berry, Carolyn Rose, Christine Henderson.

BADGES — Hostess — Laurel Poff; Hiker — Pat Henderson, Mary Lou Raven, Laurel Poff, Gail Shettler.

2nd CLASS — Patricia Larkin (since transferred to 2nd Co.), Carolyn Rose.

SERVICE STARS — 1st year — Valerie Green, Laurel Poff, Christine Henderson.

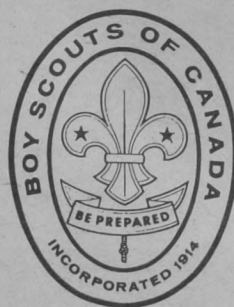

2nd year — Pat Henderson.

#### 3rd LAND RANGER

The Land Rangers hold meetings in the Staff Room No. 1 School, Mondays at 7:00 p.m. with Janet Taylor chairman, and Shelly Miller treasurer. On November 12th the Rangers went to the Colonel Mewburn Hospital to visit with veterans and assist in any way they could. A carol sing is being planned for the evening of December 23rd in the PMQ area and the Venita Nursing Home.

Singing, discussions, advancement in Rangers and crafts are part of each meeting. Girls interested in becoming Land Rangers should either contact Mrs. Bourgeois at 476-6973 or turn out Monday evenings.

First ships to join the newly-formed Canadian Navy in 1910 were the cruisers Niobe and Rainbow, obtained from Britain as training ships. The Niobe served on the east coast and the Rainbow on the west coast.

## Boy Scouts of Canada

### 1st GRIESBACH SCOUT GROUP

147 (17th Defenders) 554

#### Next Meeting

Committee Men, Troop Scouters and Pack Scouters. Don't forget the next monthly meeting to be held Monday, December 12, at 8:00 p.m. at No. 2 School. Bring a friend — Visitors welcome.

#### Paper and Bottle Drive

There is a movement afoot to try and organize a monthly scrap drive. We can use paper, soft drink bottles, plastic bottles and the like.

The thought was to have this drive on a standard day of each month but as of this time there are not enough people to handle the drive. You will realize that it is a little difficult for a cub to lift some of the bundles of paper and they are not permitted on the trucks, so there is a problem. If we could get 30 people to volunteer their cars and their driving talents for one (Saturday?) per month, we would be well away. Each month about 15 - 20 people could be used and there would be an attempt to stagger these so the job would only reach each person once every two months. If you are willing to help, please call Mr. Hugh Stewart at 476-6402. It looks like we can't move anything unless some people step forward.

#### Badge Testers

There is always a need for these people. If you are willing to assist in this department, please call the chairman of this committee.

#### Adult Training

It is common belief that more help could be acquired for 147 if we could overcome the feeling of self inadequacy in some people.

This year the Scouting Service Centre at 14205 - 109 Ave. has offered a training program. Part of the program is for leaders and there are basic courses for beginners. Examples are as follows:

#### Pack Scouter Basic

143 Friday, January 13, 7:30 p.m. to 10:30 p.m.

Saturday, January 14th, 9:00

a.m. to 5:30 p.m.

#### Troop Scouter Basic

243 A, Friday, January 27th.

As above.

Saturday, Jan. 28. As above.

Courses like these run through September to June and naturally the cost is underwritten by this committee. You may note there is not much time involved. If this tickles your interest palate and starts a fire within you, please phone Captain DIT Roe at 476-6828 and he will make every effort to place you on a course of your choice. Ladies are also welcome on these courses. Sorry, no TD but maybe next year things will look up a little.

#### Lack of Adult Leaders

This is a common cry and no doubt Scouts are not the only group suffering from this. It is rather frustrating when you have a core of good hard working people but just not enough to put the icing on the cake, so to speak. With Centennial approaching very quickly, there will be a great number of leaders required as there should be lots of Scouting Activity in 1967. If my guess is right, there will be lots of activity but possibly little representation from Griesbach because there just aren't enough leaders available. At the risk of sounding sarcastic—out of about 750 homes we have about 20 people willing to help. If I remember correctly, these are our kids, not outsiders. Will you take on a Centennial project for next year and help, please phone the Secretary Mr. Lex Davis at 476-6501. Any kind of help will be appreciated.

#### Christmas Cards

May we thank all the good people who bought our cards. We were a little disorganized on this project this year due to a false start but we may get better next year.

By the way, thanks also to the guy (no name no pack drill) who gave a young Cub a hard time about selling his cards. If you have any complaints we respectfully suggest you call Major

McDougall instead of becoming a monster in the eyes of an 8 year old. You'd better watch it too because the next one at your door might be a "Brownie" and she may have a more ferocious disposition than the Cub.

#### Compliments of the Season

The Chairman, Major E. A. McDougall along with this committee wish to take this opportunity to wish all the people in Griesbach the best for the coming festive season.

Maybe we could fill Major McDougall's socking with a stack of leaders???

#### More Good News

At a meeting on October 25 it was decided to adopt a family registration plan for Griesbach Townsite in Group 147. The motion went something like this:

"That each family be charged the regular rate for their first two boys and \$1.00 for each additional boy registered in Scouts or Cubs to a family maximum of \$8.50 and any balance be borne by this committee. Also that any family be refunded any amount over \$8.50 which has been paid for the 1966-67 registration."

No doubt there are a few people who have a refund coming and the Secretary will be more than pleased to arrange any such refund.

#### CUB AND SCOUT MEETING

An important meeting of the Cub and Scout Mothers' Auxiliary will be held on the second Monday in January.

Date: January 9th, 1967.

Time: 8:30 p.m.

Place: Mrs. June Chaisson, PMQ 375, 10220 - 148 Ave.

All Mothers of Cubs and Scouts PLEASE ATTEND.

#### Attention New Residents

The Griesbach Community Library is located in the same building as the Post Office at the corner of 104 St. and 146 Ave. Membership fee is free. Normal hours of operation are from 7:00 to 9:00 p.m. each Monday, Wednesday and Friday evening. There are 7,000 volumes available for the tastes of every reader.

#### RESCUE SERVICE PRAISED

A letter of appreciation for the life-saving work being done by the RCAF Search and Rescue has been received at CFHQ from the Canadian Medical Association through its general secretary, A. F. W. Peart, M.D. Medical aid for the seriously injured is made available as quickly as possible through the co-operation of this service, the letter states in part.

#### NASA PILOTS FLY CL-84

MONTREAL, October 19, 1966 — Two senior NASA pilots from Langley Air Force Base in the United States, flew the Canadair CL-84 tilt wing V/STOL aircraft in its various modes for a total of 4½ hours and pronounced it "very impressive". The pilots were Jack Reeder, Assistant Chief of Flight Mechanics and Technical Development and Chief of Flight Operations (right), and Bob Champine, Chief of the Pilot Section, (left), at Langley Research Center. Each pilot was accompanied on his flights by Canadair Chief Test Pilot Bill Longhurst (centre).

When the series of flights have been completed, including a vertical take-off with surface winds gusting to 35 MPH, Reeder said "It is one of the better V/STOL aircraft we have had an opportunity to fly. It is a very well engineered aircraft and very impressive."

## Sea Cadet News

The training program is progressing very rapidly at RCSCC Warrior. Officer Cadet Ralph Wilshire of the University Naval Training Division at the University of Alberta has been assisting the training of the sea cadets. O/C Wilshire was a sea cadet of the corps and was very active in the band. Mr. R. Law is a very regular addition to the instructing staff and has joined the corps as a civilian instructor. Another instructor who comes up from training with the corps is Mr. W. Bradley who sees double duty as a Navy League Sub Lieutenant. Mr. Bradley was a cadet with the corps and now passes on his experience to the cadets who follow him.

The new entry class presently under training, is progressing rapidly. Chaplain Beaton is in charge of this class of very enthusiastic lads. They are a credit to the corps and will soon be old hands.

The 1965-66 award to the best sea cadet corps in Canada over one hundred cadets was received by the corps at Victoria, B.C. This trophy was awarded to RCSCC Warrior for the previous season, and we were pleased to learn we were a close second to winning it for a second year. The corps is working hard to regain this award for the centennial year.

A church parade was held on Sunday, November 6 at the Eastwood United Church. This is Chaplain Beaton's home church and was filled with the addition of the seventy cadets attending. The parade was held in five degree weather from 89th Street and 118th Avenue to the church at 82nd Street and 119th Avenue. While on route to the church Rev. Glen Marsh was saluted on 118th Avenue. He was corps chaplain previously.

Following the service a march

past was taken by the commanding officer Lt. W. Arnett and Chaplain Beaton.

The church parade was a preview of the following Friday which was the annual Remembrance Day parade. The corps participated in a force of eighty boys including the band who were outstanding. Lt. W. Arnett laid a wreath on behalf of the cadet corps during the ceremonies at the Cenotaph. Following this, a march past was held for Lieutenant-Governor MacEwan and by considerable effort in the cold, the band was able to strike up the traditional "Hearts of Oak." The step seemed to liven in the cadet corps and in the officers and men contingent from the former HMCS Nonsuch ship's company. The band continued to play until the instruments froze again.

The parade was dismissed at the City Hall and cadets proceeded to the Four Aces restaurant. Here they were treated to hot ki, hamburgers and chips compliments of the Navy League Ladies' Auxiliary. Marie Pelletier, the manageress, and her staff did an admirable job in feeding such a large group of cold, hungry boys.

Lt. W. Love and some cadets from RCSCC Warrior participated in the Remembrance Day proceedings at St. Albert. Following the laying of a wreath and the parade Lt. Love and the boys were treated to similar refreshments at the St. Albert Curling Club.

The final new entry training class will begin in early December. This will be the last class this year and we encourage all interested lads between fourteen and eighteen to contact the

**LIEUTENANT COLONEL**  
(afterwards Brigadier)

**W. G. COLQUHOUN, CBE, MC**

**Commanding Officer PPCLI**

(From 16 February, 1937, to  
14 September, 1940)

Brigadier Colquhoun was an original officer of the Regiment, having previously served in Canadian militia units. Although captured early in 1915 he was decorated, mentioned in dispatches and also was brought to the notice of the Secretary of State for War for attempts to escape.

On the reorganization of the Regiment in the Permanent Force he was accepted as a captain. He was promoted to major in 1932. He led the Regiment overseas in December 1939 and in September 1940 he was appointed to command 7th Canadian Brigade in 3rd Canadian Division. He afterwards commanded 13th Canadian Brigade. He retired in January 1946 and lived in Victoria until his death on November 18, 1966.

### Catholic Women's Auxiliary Our Lady of Fatima Chapel

The Catholic Women's Auxiliary held their monthly meeting on Tuesday, November 8th, with an excellent turnout. It has been decided to hold a Christmas Social Evening on December 6 for all active members. Miss Dorothy Phillips will be the guest speaker of the evening. She will be speaking about the Marion Centre in Edmonton.

On November 27th and December 4th special collections will be taken at the door of the Catholic Chapel by members of the CWA. These special collections will be taken after Mass and will be donated to the Marion Centre. This has become an annual practice and the support of all mem-

bers of the Church would be sincerely appreciated.

NOTICE — Any ladies that would like a drive to the CWA meetings, please call 476-5282.

### FIRST POLAR FLIGHT

The 2nd Battalion, PPCLI, stationed in Edmonton and commanded by Lt.-Col. L. W. Basham of Vancouver, is the first Canadian Army unit to be airlifted over the polar route from Canada to Germany. The unit will make the flight in November in a rotation switch with the 1st Battalion commanded by Lt.-Col. Henry Moncrief, also of Vancouver, which is completing a three-year tour in Germany with the NATO Brigade.

The little eight year old in my Sunday School class was obviously left-handed. I said to him: "You're a southpaw, I see."

"A what?" he countered. I explained that he was left-handed and he said: "Oh, yes and God is left-handed too!"

"Where did you get that astonishing information?" I enquired.

"Well, He must use His left hand," he explained, "because Jesus is sitting on His right."

The Royal Military College of Canada produced three Rhodes scholars in 1965. RMC awards

baccalaureate degrees in arts (honours or general, science (honours or general) or engineering (chemical, civil, electrical, mechanical or engineering physics).

Not a single case of frostbite was recorded among the more than 1,000 Canadian servicemen taking part in the NATO exercise Winter Express in the Norwegian Arctic in March, 1966, thanks to winter-wire training in the Canadian Army.

### Ladies' Curling Association November, 1966

By Betty Mercer

Yesterday, I turned the calendar to November, and write curling opposite three days in each week. Yes, it's with us again — that grand season stretching endlessly towards the horizon of spring. Of course, we really made a beginning October 17th, with a general meeting. The following are the Executive for 1966-67:

President — Lois Davidson  
Vice-President and Secretary — Mickey McCannel  
Treasurer — Hilda McLaren  
Publicity — Betty Mercer  
Social — Pat Gedge

A curling clinic and social gathering was held on October 26th, where new curlers had their first taste of the game. Mr. Lucas kindly demonstrated positions, turns, sweeping, etc., while the old hands stood around refreshing our stale minds on several points. When the beginners had picked up a few clues we broke off into rinks and played four ends. It certainly felt good to stretch those lazy muscles and about time too—my curling was awful! At the end of play we gathered in the lounge for refreshments and chatted with friends and I concluded that some curlers must hibernate during off seasons!

The Executive met at the home of Mrs. G. McLaren, October 31, with discussion centering on the Bonspiel. The Club has made arrangements for baby-sitting and also we need spares for either one or two afternoons. Please phone Sharon Lucas at 455-2800.

Our Green Bonspiel held November 11-12 was very successful and enjoyed by all who entered. The Lucas rink won the Mansfield trophy and the Davidson rink was runner-up in the "A" Event. Winner "B" Event — Jan Dales — runner-up Olive McMillan. The girls paid a two dollar entry fee which included a delicious supper and the committee came up with some very useful practical prizes.

There are no special plans for the rest of the winter. The next excitement will be the Emerald Bonspiel in March, but of course that's years from now.

### FROM THE JUNIOR RANKS CLUB

During the past few weeks the Club has been engaged in various activities, a Hallowe'en dance was held on Friday, October 23 with a great success. Live music was provided by Len Menard and his Mule Skinners, while he provided the vocal accompaniment. There was a good variety of masquerade dress to be seen, to mention but a few there was Mrs. Allen attired as a Hallowe'en pumpkin; Andy Beckers as an Arab of some form; and Mrs. Piercey came dressed as a Southern Belle. There were many more costumes that added a little colour to the evening's entertainment, so thanks members and guests for coming out and helping the night go over so well.

Mrs. Comeau took first prize for the women's costumes for her colourful Witch attire. Second prize went to Mrs. Beckers for a Gypsy woman gown.

For the men yours truly for intregated services and second prize going to Mr. Frank Harrop for a Chinese cooley.

Prizes were given away for spot dances and door tickets but in de-coding my night's notes, I have failed to come up with the names but congratulations whoever you are!

From a quick census a grand time was had by all but once again we ran into the old problem of space but do not disdain we may get a wall or two blown yet. Any volunteers?

A big thanks goes out to Mr. and Mrs. Klawikowski (Frank and Ida) and Ed Evans for a well-prepared meal. Thanks also to our Bar Stewards Zeno Govan, Jim Stewart and T. Blacquire Esq. To Mrs. Berry a big bouquet for a grand job on the coat check.

In future for the Club it is proposed to hold Talent nights, Casino nights and possibly movies and card tournaments. More on that when a new calendar of events is drawn up.

### SPORTS and GAMES

In darts we now have one team entered in the City Dart League and at this writing doing quite well with a three game three win average. Broomball is back and I am sure that our team will play even better and more aggressively than before. On October 29th a games evening for the men was held to determine the champions of darts, snooker and shuffleboard. The were, DARTS — Eagle Eye Bob Long; SNOOKER—Never Scratch Covey; SHUFFLEBOARD — Feather Fingered Giles. To our winners congratulations; to all the losers a fur-lined pot, and we will try harder next time.

### MOVES

To Calgary we are losing Cpls.

Imbery, Godin, Seguin and Pte. MacDonald. There are possibly many more to go from Edmonton but I haven't been able to catch up with them yet. But to those that are leaving at this time, we wish you all the best and a safe journey. And of course a quick return to this warm climate.

That's all, folks.

T. J. Manser

### PPCLI DEPOT

The last few weeks have seen the passing of many old faces as 2 PPCLI moves in "batches" to Germany. We're sorry to see them go, yet at the same time we are looking forward to working with their replacement, 1 PPCLI. It'll be a real shock for the 1st Battalion — they haven't worked in snow for 11 years!

Two new platoons have started training since we last reported:

#### Scarpe Platoon:

Pl Comd: Sgt. W. R. Toews  
Pl Sgt: G. B. C. Neil  
Pl Cpl: R. W. Leveque  
Pl Cpl: K. L. Jobin  
Pl Cpl: Cpl. R. C. Shaw

#### Mons Platoon:

Pl Comd: WO 2 D. Spurrier  
Pl Sgt: Sgt. W. W. Larkin  
Pl Cpl: Cpl. W. R. Gray  
Pl Cpl: Cpl. J. N. Lewis  
Pl Cpl: Cpl. F. G. Huard  
Pl Cpl: Cpl. J. R. Webb

The Depot permanent staff held a party in the lounge of the PT building on the 21st of October. It was, as usual, a successful party but we look forward to an even greater attendance at our next one. Steve Chorney and his band "plunked" their way through many a tune and the spot dances were as chaotic as ever.

### 2551 PPCLI CADET CORPS

The month of November has seen a great deal of activity in the Corps.

On the second of the month a father and son banquet was held in the Men's Kitchen in Hamilton Gault Barracks. There was a total of approximately 140 fathers and sons present and all seemed to enjoy the gathering. Representing the sponsor of the Corps, the PPCLI Depot was the Chief Instructor of the Depot Major J. G. W. Mills, MC, CD.

Certificates of qualification were presented to various members of the Corps for their courses attended this past summer.

Qualified as Junior Leaders after completion of two weeks at Clear Lake Cadet Camp were: Cadet Corporal O. Stutt, Cadets R. J. Larkin, J. R. Larkin, J. A. Laroch, H. Lundie, B. J. Popplestone, T. D. Dixon, D. J. Lyttle, H. R. Lieman and M. C. S. Wuychuk.

Qualified as Cadet Leaders, having completed the seven week course at Vernon Cadet Camp were: Cadet Sgt. W. F. Larkin, E. F. H. Roberts, Cadet Corporal F. A. Boeiw, E. J. C. Magdee, T. Wildman, Cadets W. R. Madigan and G. C. Guyon.

The top course that a cadet can attempt is the Cadet Leader Instructor at Vernon Cadet Camp. This corps had three candidates who successfully qualified on the Cadet Leader Instructor Course this past summer. There were: Cadet Warrant Officer Class 2 W. R. Williams, Cadet Corporal R. S. Swan and Cadet Corporal N. L. MacDonald. Unfortunately Corporals Swan and MacDonald are no longer with the Corps but we wish them the very best for the future.

The Cadets and their fathers were addressed by the Chief Instructor, Lt. V. D. Cole, MM, CD, who explained the Cadet Corps Motto. "The Motto of the Royal

Canadian Army Cadet Corps is very obvious here this evening" he said "Acer-Acerpori-As the Maple-So the Sapling. I would like to add to this "As the Father-So the Son". Lt. Cole went on to explain briefly the purpose of the Cadet training ending with "In the final analysis, if we can truthfully say to ourselves 'Acer-Acerpori - As the Maple - So the Sapling' we have done our job."

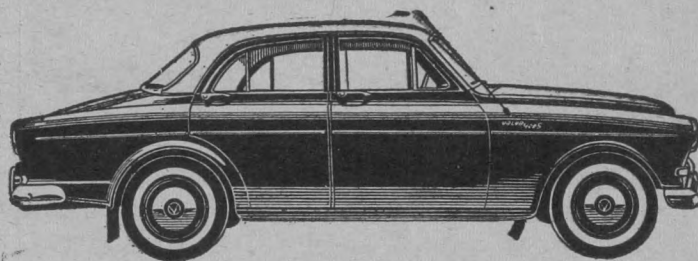

On Remembrance Day a number of cadets braced the cold to attend services at both the Protestant and Roman Catholic Chapel in Griesbach Barracks.

Mid-November saw the start of a St. John's Ambulance First Aid to the Injured course. By the 21st of December a large percentage of the Corps should be qualified in First Aid.

While the First Aid course is being run the balance of the Corps is undergoing training in the various support weapons of the Infantry Battalion.

## PAUL'S HOUSE of BEAUTY

10714 - 134th Ave.

Open 6 days a week  
Wednesday and Friday  
9:00 a.m. — 9:00 p.m.

Ph. 477-5558

The Griesbach Community Council will again award prizes for the best decorated PMQ within the Griesbach and Calder Area. Originality in representing the Yuletide spirit will be the determining factor in making the awards.

Category A — All class 3 houses — 1st and 2nd prize.

Category B — All class 2 houses — 1st, 2nd and 2 honourable mentions.

Category C — All class 3 houses — 1st, 2nd and 6 honourable mentions.

Category D — All 3 row housing — 1st, 2nd and 6 honourable mentions.

Category E — The best row housing group — 1st and 2nd prize.

The prizes consist of 1st: \$5.00; 2nd: \$4.00; 3rd: \$3.00 Honourable Mention: \$2.00.

Houses will be judged between December 22 - 26. Results will be advised in the Bugle and the winners will receive their prizes prior to January 13th.

A proud father, Corporal William W. Williams, (left), 13827 102 Street, Edmonton, Alta., looks on as his son William Robert, 18, receives his Cadet Leader Instructor's certificate from the Chief Instructor of 2551 PPCLI Cadet Corps Lieutenant Vernon D. Cole, at the annual Father-and-Son banquet held at Hamilton Gault Barracks in Edmonton. This certificate was awarded to Cadet Williams after he successfully completed a six-weeks course at Vernon, B. C., earlier this year.

(Canadian Forces Photo)

## Do's and Don'ts for P.M.Q. Residents

### Emergency Calls — Griesbach

The Duty Engineer detailed for duty in case of emergency after normal working hours, may be contacted on all emergency trouble calls at 479-8411, Local 212 after duty hours, week-ends and holidays.

### Outside Electrical Outlets, PMQs

Personnel using block heaters, battery warmers, etc. in their automobiles at PMQs shall remove and store the electrical cord either in their vehicle or PMQ when it is not being used. An electrical cord connected at one end to an electric outlet and NOT connected to an appliance is a hazard. Pt. 1 Order No. 33.

### PMQ Lawn Services

Occupants of PMQs 1 - 224 Griesbach inclusive, are reminded that to prevent frost damage the water supply to lawn services should now be shut off within the dwellings. Pt. 1 Order No. 33.

### Lost Property

A Transistor Radio was recovered by the Military Police on the evening of October 30. It is believed that this radio was stolen from a car in the curling rink parking lot. If you own this radio, would you please come over to the Military Police Detachment and identify it. Pt. 1 Order No. 33.

## 17 ROD NOTES

These will be the last notes from 17 ROD to be published in the Bugle. As of December 1, 1966, we are the Edmonton Base Supply Section (Griesbach) or would you believe EBSS(G). On the same day the Edmonton Base Supply Depot (RATIONS) will come under our OC, Major Tex McCannel, and we presume they will become our Rations Wing, to coin a phrase. Welcome aboard (integrated term) to Lt. Lou Spencer and staff.

We have had a few more personnel, both military and civilian, join the vanishing herd as we reduce to base establishment.

Unfortunately space does not permit us to list the thirty individuals involved and I hope they will understand. Mr. Gordon MacKinnon rates mention as he is retiring with 12 years service with the ROD. Gordie is one of the originals of which there are still a few left. Good luck fellows and thanks for many fine memories.

Maj. Evan McDougall has been posted to command the Camp Borden Supply Unit formerly (43 COR), as of January 8th, 1967. We wish him luck and continued success as Base Supply Officer CFB Borden.

New arrivals to the unit include 2/Lt. Douglas Praskey of Toronto, Ptes. Fred Malette and Bob Dundas, both from Germany, and Mr. Joe Pekar from Base CE. Welcome to the happy family, fellows.

Cpl. Bill Rogers is back in town looking after the family while his wife Shirley recovers from an operation. Get well soon Shirley as Bill really misses those Arabs (Oy Yea!).

Double (Think Big) congratulations are extended to Sgt. Bill Henderson and wife Audrey on an eight pound, six ounce baby girl, and promotion. All within two weeks. Two signs of progress! There is hope for us all! (???)

On the entertainment side Sgt. Gardiner and Larry Selland organized our first Depot Curling Bonspiel of the season (there will be two), with 20 participating. The bonspiel took place on November 22 - 25 and at time of writing the winners of the three events were not known. Thanks, George and Larry, for a well organized and executed spiel.

Eric Harbinson and Larry Selland are heading up our Christmas party committee. Our civilians, not to be outdone, are running this party and we hope it will be our best yet and that will take some doing! Take note girls, the party is on Friday, December 16. Same format as be-

fore. Eat at 8.00 p.m. and dance until 1:00 a.m. Turkey door prize and many novelty dances.

Conversion to base supply concept is progressing very well and by all reports we are ahead of most bases and on schedule. This is due in large part to the fine efforts of our entire staff who get little glory but a lot of satisfaction out of a job well done.

As this year draws to a close we at 17 ROD saw the end of an era and we now look ahead to new challenging concepts which we will help to conceive, improve and standardize in the years ahead. It is our sincere hope that EBSS(G) will continue to maintain the high standard of service set by 17 ROD in past years. REQUIESCAT IN PACE 17 ROD.

Contact lenses that breathe have been developed by a Connecticut father-son optician team. Electronically, they make funnel-shaped microscopic vents in the plastic lenses. The holes (two or three are required) eliminate "oxygen starvation" of the cornea, which previously limited wearing time.

# An Aid Memoire

## Know Your Commanders

With the many changes taking place within the command and organizational structure of the Canadian Forces, the D.N.D. Regional Information Office, Alberta Region, will publish a series of photographs and biographical sketches for the Bugle of CFHQ Commanders, Commanders of the functional commands, as well as local commanders. In addition there will be brief summaries of the various commands and their responsibilities. It is hoped that this aide memoire will be of value to all military personnel and their dependents in the Canadian Forces Base, Edmonton, and keep them informed of the developments within the Canadian Forces.

### Canadian Forces Command Structure

**LIEUTENANT-GENERAL  
W. A. B. ANDERSON, OBE, CD**

#### Commander Formation Mobile Command

Lieutenant-General Anderson was born in Montreal in May, 1915. He started his military career at the age of 13 when he joined the Frontenac Regiment. He served with this unit, while still at school, for three years, and subsequently attended The Royal Military College from 1932 to 1936.

General Anderson was commissioned as a lieutenant, Royal Canadian Artillery, in June, 1936, and appointed adjutant, 3 Field Regiment with the rank of captain in November, 1939. He held several staff appointments at Canadian Military Headquarters, London, England, and

for three months was personal assistant to the late General H. D. G. Crerar.

General Anderson was promoted to lieutenant-colonel in April, 1942, and held first grade appointments until appointed to command 15 Field Regiment, RCA. He served as general staff officer, Europe from May, 1944, until his return to Canada in February, 1945.

Promoted to colonel in February, 1946, he was appointed director of military intelligence, and later director Canadian Army Staff College. He has since held appointments in the rank of brigadier as Commander Western Ontario Area, Commander 1 Canadian Infantry Brigade Group in Western Germany, Vice Adjutant-General, Army Headquarters, deputy chief of the general staff and commandant Royal Military College.

In January, 1962, he was promoted to major-general and appointed adjutant-general, an appointment he held until the position was abolished on integration of the Armed Forces in 1964. He then was appointed chairman of a senior officer study group with task of producing a career management plan for officers of the Regular Forces. On October 2, 1965, he was appointed deputy chief reserves at Canadian Forces Headquarters, and in July, 1966, became a lieutenant-general and commander of Mobile Command.

#### GRIESBACH TEENS' CURLING

The Teens' Curling Club held its organizational meeting on October 14th. Ron Fortier was elected president and Sharon Smith secretary-treasurer.

Registration was completed and while 20 rinks were intended, lack of skips reduced the number of rinks to 16.

Rinks were formed under the following skips:

Jim Bilbey, Sandra Bilby, Gary

Charland, Paul Deans, Ron Fortier, Darryl Foster, Phil Haines, Jim Hammond, Bill Irvine, Ernie Lewis, Barb McMillan, Don McMillan, Wally Payne, Kathi Stayner, Sharon Smith and Len Walker.

Plans are under way for our Invitational Christmas Bonspiel so all who are interested start thinking about getting a rink together. The Spiel will be open to 8 Griesbach Teen rinks and

**WING COMMANDER  
JOHN E. CROFTON, C.D.,  
Commanding Officer 7 Supply  
Depot**

Wing Commander John Crofton, first served in the RCAF as an air gunner from 1943 until his discharge in February, 1945.

He attended the University of British Columbia and graduated with a Bachelor of Arts degree in 1949 and was employed at radio station CJIB, B.C., as an announcer and writer prior to re-enlisting in the RCAF as a supply officer in 1950. He served at various units in Canada and at 1 Air Division Headquarters in Metz, France.

Returning to Canada in 1959, he was employed with the transportation staff at Air Materiel Command Headquarters prior to attending the Air Force Staff College in Toronto during 1963.

W/C Crofton returned to the Ottawa area as Director of Transportation Plans in Canadian Forces Headquarters until his appointment as Commanding Officer of 7 Supply Depot in August, 1966.

W/C Crofton, son of Lieutenant-Colonel Desmond Crofton (retired) was born in Ganges, B.C., and attended Oak Bay High School in Victoria, B.C., and the University of British Columbia.

24 outside rinks.

Fathers of teen curlers will be approached to assist by supervising for two hours on one of the curling days during the season (Wednesdays and Fridays from 4:30 to 6:30 p.m.). We appreciate and give our thanks to all the help we receive.

Now that the season is well on its way for another year of curling, we wish all rinks good luck.

## Sport Page

By WO2 Ray McHugh

Here we are again. Once the doors of the Griesbach Curling Club opened it was not long before the league began to operate and the Gervais, Watsons and North cotts began to settle down and as this is written the big names have begun to assert themselves. Although a little early to predict, the rink skipped by Tom Southwood is off to a good start and might be the rink that will have the yardbirds talking most before the year is over. A rink composed entirely of Dentals and skipped by Col. Garth Evans, Major Chas. Sivell (3rd), Lt. Roger Savoie (2nd) and Lt. Col. Don Hillier (lead), were three up going home only to lose by one stone to Lt.-Col. Osborne. Col. Evans says, "No excuses, we just lost our pull." Can you imagine the Dental Corps with "NO PULL."

The following are the standings to date:

#### Men's "A" League

Southwood — won 6, lost 1  
Franchuk — won 5, lost 2  
Lucas — won 5, lost 2  
Harbin — won 4, lost 2  
Ness — won 4, lost 2  
Gladur — won 4, lost 3  
McLean — won 3, lost 2

#### Griesbach Mixed (Other Ranks)

White — won 3, lost 0  
Tuttle — won 3, lost 0  
Lucas — won 3, lost 0  
Gladu — won 2, lost 0

#### Officers (Mixed)

Klube — won 3, lost 0  
Fairbairn — won 3, lost 0  
Girling — won 2, lost 1  
Brandy — won 2, lost 1

#### Men's "B" League

Evans — won 2, lost 0  
Witen — won 2, lost 0  
Hight — won 2, lost 0

#### Griesbach (Ladies)

Bilbey — won 4, lost 0  
Davidson — won 3, lost 1  
McMullen — won 3, lost 1  
McLaren — won 1, lost 3  
Berry — won 1, lost 3  
Lucas — won 0, lost 4

#### BOWLING

The Base Mixed Bowling League is rolling along nicely and the league standings (first five teams) as at Nov. 15 are as follows: Lucky Strikes, Fireballs, Hi Spots, Molars and Prices. Matt

Westly continues to show the way in the individual averages with a 229, followed by George Townsend with a 217 and Doug Masse has a 209. Showing the way for the Ladies is Shirley MacDonald with a 181, Sharon Beach follows with 179 and Winnie Webster's 179 completes the top three. Matt Westly's 759 is still the men's high triple, Darol McGuire's 316 is the top men's single. Winnie Webster's 649 is still the ladies' high triple, but that grand old campaigner Olive Bruens now holds the Women's high single with a 300.

#### HOCKEY

There is still no hockey being played in Griesbach, due to the mild weather and the fact we don't have a closed-in rink. However a meeting was held on November 13th at the Westwood Community Hall. Griesbach has decided to enter 3 teams on an experimental basis in three different leagues, Pee Wee "C", Bantam "C" and Midget. The league will begin sometime in mid-December. It has not been decided as yet where the home games will be played, this will be announced shortly. There will also be a House League formed for those who are unable to capture a spot in the 3 teams being entered. The decision to enter teams in community operated leagues is a step in the right direction. Once the kids feel the sense of competing, their desires will increase, and as a result so will their skills. This is a bold adventure and those who are responsible for taking the step are aware that the Griesbach kids will initially get "thumped" but as the season unfolds, with proper coaching and attitude the difference will narrow to a point where our youngsters will be on a par with their community brothers.

#### GENERAL

S/Sgt. Jim Kirley has been elected "President" of the Triple F Club for the month of December. Friendly of Jim is a good choice and his selection at this time of year, the season of good cheer is a timely one. Jim won't be too hard to find, Local 359 or 397 will get him. Many thanks to Sgt. Pete Melnichuk for a job well done. Pete was a worthwhile rep and everyone now knows where the Pay Corps is located.

**Messiah Lutheran Church (A.L.C.)**

12520 - 135th Avenue

Wishes to extend a cordial invitation to Griesbach and Nema residents, to come and Worship each Sunday at 9:00 a.m. and 11:00 a.m.

Sunday School at both services.

A new pastor, Rev. Orval Kaminski, will be installed on Sunday, December 4th.

Lieutenant Al Turner, the Unit Fire Prevention Officer of 17 ROD, accepts the Base Edmonton Fire Prevention Award from Griesbach Fire Chief Mr. Arvid P. Hauglum, at the Griesbach Fire Hall. Units participating in the Unit Fire Prevention contest were: 17 ROD, Construction Engineering, 10 SDB, the PPCLI Home Station, No. 11 Dental Company, 13 Coy RCASC and 224 Workshop RCME. The winning unit was selected by a report submitted on fire prevention activities in that unit. Chief Hauglum said he would like to see more units take part in the contest in the coming year.

(Canadian Forces Photo)

**SERVICE WELFARE**

When Canadian servicemen and their families are troubled by social welfare problems an integrated team of experts is now ready to counsel and assist them.

The recently-established Social Work Services will be staffed by 21 military officers and three civilians all holding bachelor or master of social work degrees. Three are based at Canadian Forces Headquarters, Ottawa, with the others stationed across Canada and at the army brigade and the air division in Europe.

They are continuing, on a wider scale, the social welfare counselling that was previously available to sailors, soldiers and airmen.

The RCAF have had specialists handling social welfare cases for the past 14 years. The RCN have had a social worker stationed on each coast. The Army used the welfare investigating facilities of the Department of Veterans Affairs to look into many of the domestic problems of soldiers. The RCAF and RCN counsellors also used the DVA welfare services to supplement their own efforts.

The integrated social work services will maintain a close liaison with DVA because of its welfare experience with military personnel and its well-established facilities across Canada. Civilian welfare agencies will also be used.

The head of the social work services, Squadron Leader L. B. MacQuarrie of Toronto, described its main function as, "a resource that commanders may call upon to assist them in assessing compassionate situations of men under their command, and, when necessary, to provide direct assistance to servicemen and their families."

## NUTS & BOLTS

By Sgt. E. W. Lewis

We mentioned in our last edition that some members of the Workshop fold were leaving for Egypt, well by the time that you readers see this, Corporal "Guy" Chaisson and Sgt. "Ernie" Simpson will have a good tan started in the sunny Middle East, while we are wading through snow and freezing in 20 degree temperatures. Oh well! That's life.

While on the subject of the Middle East it is to be noted that WO1 "George" Norbury, who is looking forward to leave- and then a tour in Egypt commencing in January of next year, has passed his Control Office duties and problems on to WO1 "A" Deans. Farewell "George". Good luck "A1".

November, as everyone knows, is the one month of the year when all hunters and those who think they are hunters go into the forests and pit their skills against the wildlife and then return to civilization with game or great and exciting tales of how the game got away. Well, the Workshop has its share of these hunters and at this time when the season is nearly over, I would like to congratulate all those that went into the wilds and to say to those few who missed and came back empty handed, better luck next year.

Congratulations is in order for Cpl. "Paul" Labelle. Paul has just returned from Kingston after successfully completing a Senior

NCO course at the School of Signals.

Friends of Sgt. "Al" Ciok will be happy to know that he has returned from Camp Borden after successfully completing a NBC course.

After many years of service S/Sgt. W. J. Saunders, "Sandy" as he likes to be called, has finally hit pay dirt. Old "Sandy" is one of two serving S/Sgts. in the Edmonton area selected to attend the Hong Kong Veterans' Ceremonies being held at Hong Kong and Japan during the first part of December. All your friends wish you a good voyage and to caution you on the spirits sold to Westerners in those foreign countries.

224 Workshop has no plans for a Centennial display or exhibit for 1967 Centennial, however, the tradesmen of this unit are refurbishing a 9PR, Rifled Muzzle Loading Cannon and Limber which was manufactured in 1874.

This cannon was used by Generals Strange's Army at Frenchmen's Butte during the Louis Riel Rebellion in May, 1875. The Riel Rebellion as you well know was part of the famous North-West Rebellion which was fought in Saskatchewan during the 1870s. This cannon is the property of the Edmonton Museum and is loaned to the Army to be used as a Centennial Project.

A graduate of Royal Roads, Victoria, B.C., he served as a midshipman on board the aircraft carrier Warrior in 1947 and later trained with the Royal Navy.

Cdr. Ratcliffe returned to Canada's east coast in 1950 and joined HMCS Nootka. A navigation course in Britain followed and in 1953 he became an operations officer on board the aircraft carrier Magnificent.

He was posted to Naval Air Station, Shearwater, N.S., in 1955 and in 1957 began operations duties on the aircraft carrier Bonaventure. Similar appointments on board the destroyer escorts Assiniboine and Crescent followed between 1958 and 1960 and in June, 1960, he moved to a staff position with the Canadian Joint Staff in Washington, D.C.

A two-year tour as executive officer of the destroyer escort St. Croix followed in June, 1965, he graduated from the RCAF Staff College. He then moved to the Ottawa appointment.

Commander Richard Ratcliffe, 38, of St. Catharines, Ont., will take command of the destroyer escort Qu'Appelle in mid-January at Esquimalt, B.C. He is now a staff officer with the director general of training and recruiting at national defence headquarters in Ottawa.

## CHALK TALK

By Brian Davis

### GRIESBACH SCHOOL CUP

On October 28th Principal Harold Ulmer gave an address on the history of the Griesbach School Cup to the assembled Junior High School students. School Board Chairman, Major R. E. Gorham presented the Cup to Brian Saunders for attaining the highest marks among the Griesbach Grade 9 students last June. Base Commander Group Captain J. F. Davies then presented Brian with the Governor-General Bronze Medal and congratulated him for his high achievement in the 1966 June Grade 9 Examinations.

### PARENT-TEACHER INTERVIEWS — SCHOOL No. 1

The response of the parents to the parent-teacher interviews held at School No. 1 in early November, was most gratifying. We extend to all these co-operating parents our sincere thanks. By working together we can do the most good for our children. Some rather interesting statistics have been produced as a result of these interviews. These are presented, without comment for your interest.

- (a) Number of parent-teacher contacts possible..... 609
- (b) Total number of contacts made..... 560..... 92%
- (c) Total number of parents not making contact..... 49..... 8%
- (d) Total number of contacts made by both parents..... 112..... 18%
- (e) Total number of contacts made by father only..... 71..... 12%
- (f) Total number of contacts made by mother only..... 357..... 59%
- (g) Total number of contacts by telephone only..... 20..... 3%

Other points of interest:

- (a) There are 161 families represented by only one child in School No. 1.
- (b) There are 175 families represented by more than one child in School No. 1.

At School No. 2, 95% of parents attended the interviews, and many parents dropped into the staff room for coffee.

- (c) There are 336 families with children in School No. 1.
- (d) The average size of family with children attending School No. 1 is 1.81 children.

### WHO'S WHO

New on staff at No. 1 School is Miss E. Free who has one of the Grade 6 classes. Miss Free received her education in Alberta and taught in this province. After travelling rather extensively in Europe, she returned to teaching, but a new interest led her for some time into Fashions and Modelling in Vancouver and various points in the United States. Following further studies in the fashion field in San Francisco, Miss Free sold for the Chicago firm, Marshall Field. Other travels on this continent have led her through various parts of the States and to Mexico. Her hobbies are swimming, dancing, guitar music, and travelling. Miss Free believes the greatest thing in life is enthusiastic people. She is really enjoying her class this year. Her students' Remembrance Day display depicted scenes from both World Wars, and some of the class showed slides of cemeteries visited in Europe.

### SPORTS

#### Soccer:

At the end of the Soccer

Round, the results showed that Griesbach lost to Killarney 2-0 and to Rosslyn 5-1. They tied Wellington one all. The Grade 8 soccer team defeated Guthrie 3-0.

#### Girls' Sports:

The Griesbach City Volleyball Team lost to Balwin 15-21 but whipped Killarney 29-9. However, in later games they were trounced by both these teams. The House League Volleyball games are coming along nicely. Best scorers were: N. Hassen, M. Jenkins, J. Davidson, E. Williams, L. Merkley and J. Jenkins. Basketball practices will be held soon.

#### Mexican Journey

Mr. Frel Shonn, retired principal of Donald Ross School, Edmonton, and world traveller, presented a talk, illustrated by slides to the Grade 4 classes on Mexico. One of the School No. 2 Enterprise topics for Grade 4 this year is Our Neighbors in Mexico.

#### Hallowe'en Parade

In No. 2 School each child dressed in costume and several

hundred parents attended the audition to see the various children parade across the stage. The pre-school children who came in costume also joined the parade. Following this, Mrs. Smoole's Grade 6 class served coffee in the T.V. room and in the library.

### Remembrance Day Observances

At School No. 2, for Grades 1-3, the Remembrance Day program, chaired by Principal J. Majaakey, was held in the auditorium on November 10. Mrs. Green accompanied the group in singing of "O Canada" and "O God Our Help in Ages Past."

Padre Minchin led the children in a Remembrance Day Prayer. Major R. E. Gorham explained the special meaning of Remembrance Day. Following the two minutes silence, the singing of the hymn, Recessional, and God Save the Queen concluded the program.

At an earlier assembly, Mr. N. Bodnar chaired the program for Grades 4-6. Pianist was Mrs. McLean. Poems "Why Wear a Poppy?" and "In Flanders Fields" were recited by Judy Lloyd and Brian Yaschuk respectively.

"Why We Remember" was sung by the whole assembly.

The following promotions and senior appointments in the Canadian Armed Forces have been approved with the officers taking up their positions in October:

Air Vice-Marshal F. W. Ball, 50, of Brandon, Man., will become deputy chief operations, succeeding Rear-Admiral R. P.

Welland who has retired. Air Vice-Marshal Ball has been deputy chief plans since 1965.

Rear-Admiral R. W. Murdoch, 49, of Vancouver, has been promoted to that rank and appointed deputy chief plans, succeeding Air Vice-Marshal Ball. Rear-Admiral Murdoch has been director

general plans since 1964.

Air Vice-Marshal G. S. Austin, 50, of Kamloops, has been promoted to that rank and appointed deputy comptroller-general, succeeding Rear-Admiral C. J. Dillon who recently retired. Air Vice-Marshal Austin has been director-general of management engineering and automation since 1965.

### NEWS REPORT

We missed the last issue of the Bugle, so will try to include all news for past two months this time.

Following the August leave period all efforts were directed to our Trooping the Colour ceremony held on 17 September. This was the last time the Second Battalion at least for a few years and all ranks put forth their best effort to make it successful. The weather was on our side on the day parade and the entire ceremony went off without a hitch. Major General SB Ware DSO, CD, the Colonel of the Regiment, inspected the Battalion and took the salute. The evening before the Trooping the Battalion formed up on Sir Winston Churchill Square in Edmonton and General Ware accepted the Freedom of the City on behalf of the Regiment.

Although the Trooping period was an exciting and enjoyable one, everyone was glad when it was over and we could settle down normal routine again. It was a busy few days and we were all quite exhausted when it was over.

In the latter part of September the Unit settled down into some serious military training in preparation for our rotation overseas. The next month was highlighted by several unit courses being run and everyone learning new skills as well as polishing up on old ones.

In October rotation to Germany officially began. On the 4th and 7th October our advance party left for Germany via RCAF Yukon Aircraft and are now making preparation for our arrival in Fort MacLeod. The remainder of the Battalion begins rotation on 1 November and will be complete on 29 November. Our rotation staff, headed by captain Murray

Stewart, are doing an excellent job despatching people overseas. This is the busiest office in the Unit at the moment but everything is going smoothly.

This is the last time that the Second Battalion will be reporting to the Bugle. We would like to take this opportunity to say goodbye to the many friends we have all made in the Griesbach Garrison, and also to say many thanks for the support and co-operation given us for the past 9 years.

### OFFICERS' MESS

At the present time there is very little going on at the Home Station Mess due to the fact that there are very few members here right now. The majority of the Second Battalion officers are either already in Germany or are on embarkation leave. Very few First Battalion Officers have as yet arrived. Despite our shortage of manpower, a game dinner held on 28 October was well attended and all had a good time.

The present situation in the Mess is a far cry from which prevailed during the trooping season. At same functions it was difficult to find even standing room and four large tents had to be pitched adjacent to the Mess. A large number of extra Regimentally Employed officers and ex-Patricias were in the Home Station and an enjoyable if hectic time was had by everyone.

All members of the Mess would like to say goodbye to our past PMC Major Jean Pariseau. We wish him good luck on his tour in Ottawa and thanks for a job well done.

### SERGEANT'S MESS

During the past month the Patricia's Home Station Sergeant's Mess has resembled Grand Central Station due to the rotation

of the First and Second Battalions. Many old friends are leaving, to be replaced by other old friends that we haven't for a few years.

Q.M.S.I. John Richardson led the Second Battalion's first group of Mess members to Germany, and a short time later RSM Fred Dodd and R.Q.M.S. Tom Scudamore arrived from Germany to take over the First Battalion.

The Mess is again echoing with the usual semi-German colloquial patter that one hears from any unit for about a year after they return from Europe. There's a lot of good natured rivalry going on, with the Second Battalion trying to whistle off with as many Mess trophies as they can remove from under the surveillance of RSM Dodd.

Last Friday Night there was a meet - the members gathering which appeared to be highly successful. Your correspondent went to the Mess Saturday morning and was quite impressed to see that the RSM and RQMS had reported in quite early; one would assume that they were checking for any possible damage caused the night before. They were ably assisted by QMSI Jock Holligan of the Regimental Depot, who also showed a certain nobleness of spirit in his unselfish devotion to duty by giving up his weekend to help with the investigation. To the casual observer, it appeared that this small but devoted group, were mainly concerned about the possible spoilage, or evaporation of certain Mess properties as they were quite diligent in sampling and inspecting a wide variety of said property. A short time later these dedicated Warrant Officers were joined by a member, who in my humble opinion, showed an even greater sense of responsibility by coming all the way back from Calgary to help them. When Staff Roy Clouthier first stepped in the door it appeared to the untrained eye that he had come via the Far East, as he seemed to be suffering from a combined recurrence of sea-sickness and malaria. However by following QMSI Holligan's expert medical advice, he slowly recovered and eventually became quite chipper.

Another well-known Mess member has just returned, although not as a part of the inter-battalion rotation. Sgt. Fred Udell has just completed a tour of Cyprus and rumour has it that Freddie needed an RCAF Hercules for his personal baggage. This rumour has a certain ring of truth to it as Fred is widely known as an avid collector.

### CORPOLARS' MESS

HELLO once again. First off, we'd like to welcome all members from "the other battalion" just in case we should forget. Also would like to welcome all newly promoted Corporals into the fold! Although we haven't reported for a couple of months, we've been quite busy. The Mess Dinner and Trooping Ball both

went off very well and were well attended and enjoyed by all. Certainly hope that we can have more of the same in Germany.

Being as this is the last report before we go "across the pond", we wish to express on behalf of all members, how much we have enjoyed our little stay here in Griesbach (would you believe, ten years). We realize of course, that sales in the Roslyn will drop about 50% but I'm sure the slack will be taken up shortly.

Also, we'd like to mention the firm support given to the Mess by Fred Hassen, Al Downey and many more. Without the help of these members, I'm sure at times we could not have survived.

So long, see you in three years (maybe).

### CASUALTY

It didn't take Corporal Keith Wyonch long to find out there's a lot more to soldiering in Cyprus than there is at home! As NCO in charge of a six-man detachment in the isolated Turkish-Cyriot village of Temblos he has scores of military, semi-military and diplomatic chores to oversee each day. Here the RCR corporal from Sarnia, Ont., carries out a fatherly duty for a "wounded" urchin. (Canadian Forces Photo)
